RE:

Financial Statements for the Seven Months Ended March 31, 2005

In an effort to improve the communication of financial information to all users, the Comptroller's Department implemented a work plan for fiscal year 2005 that called for the monthly preparation of financial statements beginning with the second quarter of 2005. We believe that through this effort we will provide better information to the taxpayers of this City and allow them an opportunity to review the City's financial status on a more regular basis.

Therefore, we submit the City of El Paso Financial Statements for the seven months ended March 31, 2005 (unaudited) for your review. These financial statements will be presented on a monthly basis and will be posted on the website of the Comptroller's Department. The Comprehensive Annual Financial Report (CAFR) for the fiscal year ended August 31, 2004, is also available on-line for readers to review.

Briefly, the general fund reflected a net increase in the fund balance of \$30,592,776. Revenues to date reflect approximately \$171,528,000. Expenditures are slightly higher than \$154 million, which is approximately 58.39% of budget utilized. Further detail is reflected beginning on page 9 of the Schedule of Expenditures – Budget and Actual for the General Fund.

The monthly financial statements consist of the basic fund financial statements with some additional supplementary schedules that provide more detail at the function and object level. Basic financial statements for the following types are presented:

- Governmental
- Proprietary
- Fiduciary

Component unit information, unless readily available, is presented at their last audited date. This would apply to the El Paso Water Utilities and to the City of El Paso Fireman and Policemen Pension Fund.
